KEY POLICY OVERVIEW

Attendance

Scholars are expected to be at school everyday. Scholars who accumulate more than 10 unexcused absences are at risk of being retained.

Cell Phones

Scholars are not permitted to use their cell phones during the school day. Scholars must turn their cell phones in when they arrive at school.

RRC

Scholars who violate the school's non-negotiables will earn after school RRC. If your scholar does not attend their RRC they will receive Saturday RRC.

Uniforms

Scholars are expected to wear the full DPA School Uniform EVERYDAY! Scholars who do not wear the DPA School Uniform will be sent home.

ATTENDANCE POLICY

Daily and timely attendance is critical to Digital Pioneers Academy achieving the goal it has for both scholars and community. Scholars are expected to attend school every day that school is in session. Additionally, Scholars are expected to be on time every day. DPA defines an absence as the following:

- A day in which a scholar does not arrive at school at all
- Scholars arriving to school after 10am
- Scholars departing school (and not returning) before 2:30pm

Because daily attendance is critical to the success of the school but also a legal obligation to the city, DPA does have serious consequences for scholars who are frequently absent. While understanding that both sickness, emergencies, bereavement, and other reasons apply to scholar absences, it is critical that scholars put their best efforts into being at school daily. The following are consequences for excessive absences from school:

- If a scholar has 3 or more unexcused absences during scholar orientation (the first 8 days of school), a meeting with the scholar's family will be required immediately to discuss expectations.
- Scholars who reach 3 absences during one quarter, or 5 absences during the year, may be required to complete an attendance recovery plan, a plan intended to make up learning time missed while out of school.
- If a scholar has 10 or more unexcused absences (consecutive or nonconsecutive), DPA will report the absences to Child and Family Services.
- If a scholar has 20 or more consecutive unexcused absences, DPA will take the following action:
 - The scholar may be unenrolled;
 - Attendance data will be reported to Court Social Services and/or the OAG Juvenile Division and Child and Family Services;
 - Retention (repeating a grade) will be considered and the absences may be the primary reason for retention regardless of academic performance.

CAASS ONE CARD

Digital Pioneers Academy utilizes CAASS OneCard, an ID Card identification system that requires scholars to use their student ID card to sign into school, sign out for early dismissal, and sign into each of their classes.

You can get real time notifications, that will alert you when your child has arrived at school AND scanned into class! You can follow the below instructions to create an account!

- Download the "CAASS notify app" from your app store.
- Register inside the application. (Note: the registration key is unique to each child. This information will be sent home with scholars during orientation, and emailed out to the email we have on file!

Your scholar's first ID is FREE and subsequent IDs are \$5.

- Scholars who are **DUE** or **OVERDUE** for a immunization are considered out of compliance by the Districts standards.
- If your scholar is out of compliance you will begin to receive notifications on **October 26th 2023**.
- You will continue to receive these notification until your scholar is up to date on their childhood immunizations, and in compliance with the districts Policy.
- DPA will host 2 mobile clinics which will provide families with the opportunity to get their child their immunizations, free of charge, at the school!
